Dr. Nosti focuses his practice in creating lifelike, beautifying dentistry often referred to as cosmetic dentistry; holding the level of training, professional certifications and fellowships that demonstrate his passion and commitment to this complex field of dentistry. One of forty dentists in the United States recognized as a fellow with the Academy of Comprehensive Esthetics (ACE), Dr. Nosti is routinely called upon to perform complex cosmetic and rehabilitative treatments on other dentists and dental personnel. In addition, Dr. Nosti's work is featured in the American Dental Association's pamphlets, booklets and websites to be utilized by dentists worldwide, to explain to patients what's possible with veneers and crowns (cosmetic dentistry).

Dr. Nosti graduated from the University of Medicine and Dentistry-New Jersey Dental School. He went on to complete a General Practice Residency at Lehigh Valley Hospital in Allentown, PA, a subsidiary of University of Penn. Medical School.

Dr. Nosti is the Clinical Director of Education for The Clinical Mastery Series, where he teaches dentists from all over the world how to diagnose and perform complex reconstructive and cosmetic dentistry. He has also authored and is featured in several instructional DVD series for dentists. He serves on the editorial boards of numerous dental publications, and has been published in many journals, including the prestigious Journal of the American Academy of Cosmetic Dentistry.

Dr. Nosti is among the few dentists in Manhattan who hold Fellowships in the Academy of Comprehensive Esthetics (Cosmetic Dentistry/FACE), the Academy of General Dentistry (FAGD), and the International Congress of Oral Implantologists (FICOI).
